... and get away from it all for less than you think

Gone for most of us are the days when entire families get together at Grandma's house for holiday meals. Today, Grandma is just as likely to live in a different state, as are uncles, aunts and cousins. So this year, let **BJ's Travel®** help you bridge the distance at a price that can bring comfort and joy.

Start by clearing everyone's calendar for your holiday get-together, choosing a destination, and sending out invitations. To stretch your budget, consider renting a vacation home or a villa. The BJ's Travel Experts at 800-998-0886 have loads of ideas to bring your gang together for less with:

- ✓ No booking fee (ever) on flights
- ✓ Hotels from \$35/night, plus up to a \$200 rebate on select bookings
- ✓ Cruise and vacation packages from \$159, plus up to a \$200 BJ's Gift Card*
- ✓ Up to 25% off car rentals

Create holiday memories that will last a lifetime. Visit www.bjs.com/travel to start your own traditions away from home with help from the experts at BJ's Travel.

TIP When flying, divide your clothes between different suitcases. If one piece of luggage doesn't arrive at your destination, you'll still have clean clothes in the other.

*Availability of items may vary by destination. Items available only while supplies last. Offer not subject to change at any time and subject to state and local laws. Offer not available for Royal Caribbean International, Celebrity Cruises, a Carnival and Broadway musical events, travel and transportation and certain other bookings. Members will receive one BJ's Gift Card per qualifying booking. Amount varies by total package price. Visit www.bjs.com/terms for full details.
