Access blocks adenosine, a hormone that slows down your body's fat-burning and muscle-recruitment processes.

With Access, your body is better able to turn fat into fuel as you exercise. And with clinically proven CLA inside, Access technology helps your body burn fat more efficiently, reduce the size of fat cells, and build lean muscle.\*

\*Clinical trials testing the products individually, as prescribed, yielded results. In a double-blind, placebo-controlled study, CLA administration significantly reduced body weight, waist circumference, and body fat percentage. CLA also significantly increased lean muscle mass.

\*Weight loss of 10% or more is associated with a 50% reduction in cardiovascular disease risk. CLA is a natural fat-burning agent.
