The screenshot shows the website for Hospice of the Western Reserve. At the top left is the logo, which consists of a stylized blue and white wave icon next to the text "HOSPICE OF THE WESTERN RESERVE". To the right of the logo are two navigation buttons: "Patients and Caregivers" (highlighted in blue) and "Professionals" (light blue). Below these is a dark blue navigation bar with the following links: "Your Needs", "Our Services", "Grief and Loss", "Volunteer/Community", and "Giving Back". On the right side of this bar is a search box with the placeholder text "Search..." and a magnifying glass icon. The main content area features a large banner image of an elderly man and a young boy sitting on a couch. The man is holding a laptop. Overlaid on the right side of the banner is a text box with the heading "Are you grieving a loss or know someone who is?" and the subtext "Grief affects all ages, races and genders. Our two bereavement centers offer free resources and caring professionals to the entire community. LEARN MORE ▶". Below the banner is a white navigation bar with five icons and corresponding text: a stethoscope icon for "Referral 800.707.8921", an envelope icon for "Send Us An Email", a leaf icon for "Donate Now", a telephone handset icon for "How Can We Help? 800.707.8922", and a location pin icon for "Office and Care Campus Locations".
