我們將這種獨特的蜂蜜精華稱為 (HUNI*XA)，並採用於康維他天然美肌系列之字，以來自波蘭的天然康維他蜂蜜為基礎，從波蘭採集而來。這字蜂蜜是無菌處理的後果。

我們的 (HUNI*XA) 源自於西蘭北部的一片淨土，美麗的康維他湖 (Hawanga Harbour)。

我們對天然成分的執著

康維他《天然美肌》系列的美容產品絕對不含化學防腐劑。動用天然防腐劑，合成防腐劑，合成香料，讓取過最自然防腐的優質材料。

同時，康維他《天然美肌》系列絕不以動物作測試。

*Probiotic - 康維他系列含有最優質康維他益生菌
*Natural honey ingredients - 真正採集自康維他湖

COMVITA

Natural Bodycare
for all skin types

with HUNI*XA Manuka honey
to slow the signs of aging

Oily skin is prone to more oil secretion and blemishes than other skin types. It will start to look oily during the day and will feel tight after cleansing. Your skincare regime needs to provide balance - controlling the excess of production without drying out your skin.

Comvita's skincare for normal to oily skin is a high performance range that cares gently and naturally for the needs of both these skin types.

- Contains HUNI*XA Manuka honey to slow the signs of aging
- Restores moisture balance and smooths the appearance of fine lines and wrinkles
- Controls excess of production in T-zone and refines pores
- Skin feels toned and feels soft, firm and revitalized
